Re: ***Mandatory Summer Reading***

Each year, new and returning HAAS students are required to read selected novels and complete specific grade level assignments. Studies show that most students experience a loss of reading skills over the summer months, but children who continue to read actually gain skills. Over the summer, parents can assist their children in sustaining and bolstering their reading skills, strengthening their vocabulary, and reinforcing the benefits of reading for enjoyment.

Attached you will find the ***Required Summer Reading List*** for your child's *next grade level* for the upcoming school year, and below are the directions for completing the ***Required Assignments***. **(For example: if your child is in the 2nd Grade now, you will choose a book from the 3rd Grade Reading List.)**

The ***Required Summer Reading List*** and the ***Required Assignments*** will also be posted on the HAAS website (www.hollywoodcharter.org) on the **School Information Page** for your convenience.

Directions for Required Summer Reading Assignments

Students will be required to read the 2 books listed for their upcoming grade level. The third book is optional and will earn extra credit. These books may be read independently, read together, or may be read aloud to your child.

After reading the book, students must complete the Required Assignment in order to receive full credit. The completed work will be incorporated into the student's grade during the first weeks of school. ***Failure to complete these assignments will result in the student receiving zeros.***

Mandatory Summer Reading List 2010 - Entering 8th Grade

Tentacles by Roland Smith

Marty and Grace O'Hara's globe-trotting parents disappeared while on assignment for a nature magazine, and now they're living with their Uncle Wolfe, a scientist fascinated by cryptids--creatures that appear in myths but haven't been proven to exist, such as the Loch Ness Monster. Wolfe is planning an expedition to New Zealand to track a giant squid, and he's rented a huge (and possibly haunted) freighter for the trip. But someone on board is determined to sabotage their mission--and if Marty and Grace keep poking their noses into things, they might end up the saboteur's next victims!

Found (The Missing: Book 1) by Margaret Peterson Haddix
Thirteen-year-old Jonah has always known that he was adopted, and he's never thought it was any big deal. Then he and a new friend, Chip, who's also adopted, begin receiving mysterious letters. The first one says, "You are one of the missing." The second one says, "Beware! They're coming back to get you."
